

Sun Foundation

Changing Lives - One Opportunity at a time

ANNUAL CELEBRATION 2013
Sun Foundation's A...

S

un Foundation was established in 1998 as an initiative, to empower the disadvantaged communities around the world in order to impact the social fabric in a positive way.

As the President of Sun Foundation, I feel elated to see the Foundation impacting lives of people across all social strata by enabling them towards self-reliance and dignity. Our approach envisages us to evolve and execute support to the communities in partnership with government, civil society and relevant stakeholders. Our programs are engrained with the intent to changing the social perception towards 'giving back' and all our actions are governed by this pious tradition.

Over time, Sun Foundation has grown and touched a large number of people with its dedicated and selfless approach.

I am humbled and gratified to have our gracious patrons, social ambassadors, staff and family as an indispensable part of Sun Foundation, who have contributed towards the overall realisation of our vision.

This compilation shall provide a glimpse of our contribution to the society. It is not meant to be intensive, but I hope it conveys the myriad of initiatives undertaken with selfless force, striving to create a beautiful world full of dignity and pride for our beneficiaries.

My best wishes to everyone at Sun Foundation to work effectively towards our cherished goals and to be instrumental in creating a world where we all live in harmony.

Dr. Vikramajit Singh Sahney
President

Padma Shri Dr. Vikramjit Singh Sahney is a successful entrepreneur, philanthropist and a social activist. He advocates the ideology that extending a helping hand to the downtrodden is humility and humanity. A true visionary, Mr. Sahney effortlessly dons many leadership roles including but not limited to President - Sun Foundation.

Honorary Consul -The Republic of South Africa for Northern India; Member - Board of Trade, Govt. of India; International President - World Punjabi Organisation, connecting NRIs over the globe with mainstream India; Board Member - FICCI & ASSOCHAM. The list is endless.

His altruistic and compassionate persona is the motivational force behind various empowerment programs of Sun Foundation aiming at upliftment of underprivileged women, differently abled youth and children. Surya Kiran & Save the Girl Child Campaign under PM's call for Beti Bachao, Beti Padhao, Taare Zameen Par, Angels of Sun; Farmers 'widows' cause.

Educational & recreational training; Allied therapies; Drug De-addiction Campaign; Sikh Heritage Multimedia Museum; Light & sound mega shows; Swachh Bharat Abhiyan and several others projects are the result of Dr. Sahney's perseverance in minimising the gap

OBJECTIVES

- To empower women and girls from the weaker sections of the society by imparting vocational training and skills.
- To enable them to contribute in economic development of the family, society and the nation.
- To create social awareness against existing evils and bring about a positive change in the outlook of the conservative sections of the society through our policies and programs.
- To incorporate environmental education in schools in order to sensitize the people towards such issues.
- Support people in distress and affected by natural calamities.
- Support and organise charitable activities and collaborate with other organisations such as Corporate NGOs and the Government towards community development projects.
- Rehabilitate the needy, differently abled and deprived classes through our Interventions and initiatives.
- Campaigning against sex discrimination and female feticide and to raise strong concern through awareness camps and mobile vans
- Imparting education to orphans and single parent children and equipping them to lead a life of dignity and economic self-reliance.

Neglect of skill development in the past is pinching India now. For Sail India mission to succeed we need active participation of all stake holders. Sun Foundation is doing a great job by Milling our youth.

RAJIV PRATAP RUDY Union Minister of State for Skill Development and Entrepreneurship (Independent Charge) & Parliamentary Affairs

I take this beautiful opportunity to congratulate Sun Foundation and Mr. Sahney for doing such good work, to stop female feticide and also for orphan children. Vikramjit helps all in distress and in need. He works for the society with so much compassion, it is rare and deserves all our applauds!

HEMA MALINI, Member of Parliament and cine star

There are some special children who come to this world to become better human beings.

SALMA ANSARI, wife of Vice President of India

VISION

To work selflessly towards uplifting the weaker sections of the society and pledge to be the pillars of support by bringing about social and financial betterment. Empowering the under privileged and differently abled to grow and succeed.

Skilling

Shaping Rewarding Careers with Industry specific skill training at WCSC and MSDC

Sun Foundation in partnership with DTTE (Dept. of Training and Technical Education) Govt. Delhi and PSDM (Punjab Skill development Mission), Govt. of Punjab run World Class Skill Centers at ITI Campus, Jail Road, New Delhi & Amritsar respectively.

These Skill centers, with international standards, impart world class certified trainings free of charge. The modules are designed in consultation with Industry experts thus ensuring job placements and promising careers.

WCSC – Delhi has intake capacity for 800 students and undertake training for –

- Asst.level Fashion Designing
- Interior Designing
- Asstt. Beauty Therapist
- Field Engineer (Refri, AC, Washing Machine)
- General Duty Assistant
- Domestic Data Entry Operator
- Web Developer
- Software Developer
- Graphic Designing

Nirmal Chaaya - Special skill centre for women inmates at Tihar Jail for manufacturing of sanitary napkins and sewing. The manufacturing unit also serves as a source of income for the participant inmates.

Packaging training is being undertaken for residents of Krishna Kutir - Govt. Old Age home for women at Vrindavan.

Surya Kiran was undertaken to empower rural women and young girls in remote parts of Haryana, Punjab and Delhi. Most of these centres are in remote rural areas where women lack infrastructure for learning and earning. Surya Kiran centres have been able to make a mark with overwhelming support of the local villagers and gram panchayats. Over 10,000 women and girls have been empowered by the end of 2016 under this project.

Main courses conducted in these centres are drafting and stitching, textile designing, embroidery, basic computer knowledge and beauty & wellness.

Depending upon the type of skill, our Skill Development Centres conduct Certified training courses for 4 to 6 months of duration throughout the year which enhances the employability chances of the learners. Work profiles of the women who have been empowered by Surya Kiran's programmes reveal interesting insights into the enthusiasm and entrepreneurship of these women

- Some of our learners are now earning by stitching bridal suits and other garments during festival seasons.
- Many have opened their own tailoring shops while others have tied up with local tailoring shops after obtaining orders they stitch clothes at their own homes.
- Some of them have got employment in nearby garment factories thereby earning regular monthly salaries.
- Some women have formed small group and are engaged in stitching uniforms for neighboring schools.
- A few outstanding students have been employed by Surya Kiran as faculty.

ASHA KIRAN in association Indian Army where we impart free vocational training to differently abled. The trainings are conducted at Military Hospital, Delhi Cantt, New Delhi.

The Foundation has also been involved in several other activities celebrating the spirit of the differently abled with an 'Exhibition cum Sale' of the photographs exclusively clicked by the students who underwent the photography workshop at Taare Zameen Par; Blind children football matches etc.

Rehabilitation for Juvenile - Training in mobile repair and LED bulb manufacturing is being provided under a special initiative for juvenile boys at Govt. Observation Home at Mathura.

Taare Zameen Par (Disability Inclusion to work force) empowers the differently abled children and young adults by providing a platform for their economic self-reliance. Sun Foundation has been running vocational training centers integrated with skill development for young adults with disabilities who can and want to work. The foundation through its project transmutes disability into ability. Currently, the Foundation is running this project in three centers in Delhi -

- Skill training for Computers and Apparels is imparted to deaf and mute students of Lady Noyce Govt. School under the initiative of Women and Child development with Govt. of Delhi
- School for Blind, Rohini
- Blind Relief Association School, Lodhi Road

Other than above, Multi Skill centers at various locations have requisite expertise and infrastructure to give training in various vocations.

Taare Zameen Par was started in 2008 and since then over 900 children have benefited by end 2015.

Other Initiatives

Swachh Bharat Abhiyan

Jointly with Ms. Priyanka Chopra, we have adopted Shivkarwadi, a large slum in Venova, Mumbai, for cleaning up the place and to rehabilitate it. Our efforts include cleaning of the entire ground which had big mounds of garbage and carcass, cleaning up a well in the compound and covering it with net, gardening etc. We visit the site from time to time to urge the residents to inculcate cleanliness as way of life for healthy, clean and green India

Jai Jawan, Jai Kisan

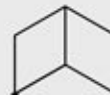

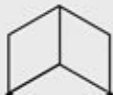

Adopting the children of great warriors and martyrs of Kargil war and Pathankot terrorist attack for their education.

Supported cine super star Akshay Kumar by adopting 25 widows' families of the farmers who committed suicide in Vidharbha region. The funds have gone directly to the needy widows. The donation is towards rehabilitating the widows of the late debt-ridden farmers in the region.

Over the past few years, Maharashtra has been topping the list of states in the country when it comes to farmers committing suicide. Frequent droughts, crop failure, non-realisation of prices for agricultural products are driving farmers to take the extreme step leaving the family to battle with life in extreme adversity. Financial support by Sun Foundation is way to handhold them to prevent more suicides under the circumstances and give them assurance that they have the support till they can pick up the threads of their lives once again.

“ I would like to congratulate Dr. Vikramjit Sahney for his latest ventures of Sun Foundation. You are a great source of inspiration to all of us. We try and follow you. It's been an amazing work whatever you are doing and we are really proud and wish you all the best. ”

KANGANA RANAUT, Cine Star

Running Drug Rehabilitation Centre; Financial support to de-addiction centres & Campaign Against Drug Abuse

Drug abuse has become a rampant social problem in recent years especially amongst young adults. It is affecting the social fabric of the country, affecting not only the user but also their family and the whole society. It is our firm commitment towards humanity towards motivating people to respect life and keep away from drugs. In this regard, Sun Foundation is running Swami Vivekanand Govt. Drug De-addiction & Rehabilitation Centre, Amritsar providing various vocational skill/occupational courses; recreational and motivational therapies. The occupational courses include training in Computer Education, Electrician, Plumber, Welder, Mobile Repair and several others. Recreational and motivational therapies include instrumental music, dance & relaxation, gym/yoga/mediation therapy, art therapy, indoor recreations, sports and other outdoor recreations, recovery birthdays & follow up etc.

Sun Foundation also got around 10,000 youth together to pledge against Drug abuse on a motivational platform at Amritsar, raising the slogan "Shake your legs keep away from Drugs. The event to spread awareness against drugs, was motivated and spearheaded by Dr. Sahney and the local administration under the Deputy Commissioner. On this occasion, inspiring and motivating public interest message and song "Karo Iraada, Pakka Vada, Aaj Nasha Tum Chodoge" by Dr. Sahney, were also presented on drug abuse.

The Foundation has also been providing financial support to Aas Kiran Deaddiction cum Rehabilitation Centres in Punjab.

“ I must compliment Sun Foundation for catering to the society with so many services and addressing the current issue whether you talk about women empowerment, female feticide or physically challenged. ”

ARUNA OSWAL, Philanthropist

Sikh Heritage Multimedia Museum

Established state-of-the-art Sikh Heritage Multimedia Museum at Gurdwara Bangla Sahib, New Delhi that was inaugurated by Shri Arun Jaitley, Hon'ble Finance Minister of India. The Museum highlights the key tenets of Sikhism and depicts lives and times of the Sikh Gurus. Equipped with a world class Auditorium, the Museum exhibits Paintings, Murals, Translites and audio/video & running commentary in english, hindi & punjabi languages and has been visited by over 4 lac visitors within one year of its opening.

“ I have been noticing Vikramjit for many years now. He is always involved in act of altruism, within the country and outside too. He is always wearing a positive and humanitarian role. I feel he is usually busy working more than 24 hours a day. ”

ARUN JAITLEY, Union Finance Minister, Minister of Corporate Affairs and Minister of Information and Broadcasting

GURU TEGH BAHADUR HOLOGRAPHIC AUDITORIUM

Gurudwara Rakab Ganj Sahib

Khushwant Singh Literary Festival (KSLF)

Supporting KSLF, an annual event of 3 days at panoramic surroundings of Kasauli since its inception regularly as its Patron. The objectives include preserving the pristine ecology of Kasauli, furthering education, particularly of the girl child, saluting the Indian soldier, promoting closer Indo-Pak ties, and, of course, the importance of bringing more laughter into our lives.

“Vikramjit Sahney and his Sun Foundation is doing commendable work in empowering the girls and youth. He has opened these centers to give vocational training to girls with a great understanding that to empower the girls is to empower the Nation and the World.”

SHEILA DIXIT,
former Chief Minister
of Delhi

Mandela Day Celebrations

Sun Foundation celebrates 18th July, each year, as Nelson Mandela day. This day has been declared as Nelson Mandela International Day by United Nations General Assembly. On this day, we celebrate Madiba's (as Nelson Mandela was lovely called) life to observe the ideals that his life encapsulates: freedom, democracy and dignity for all. Madiba's leadership transcended all human boundaries - race, clan, ethnicity or religion.

A huge part of Mandela Day is about devoting 67 minutes to community service in drawing inspiration from the 67 years that Nelson Mandela spent for Public Service. In this regard, the Foundation engages in community service. We also make clarion call to the public to join us as we participate in Mandela Day community service and celebrations. It is our asserted effort to reach out to society at large to respond to the call of humanity as Madiba did. "Take Action; Inspire Change; Make Every Day a Mandela Day" Sun Foundation has also announced the installation of a bust of Nelson Mandela at Nelson Mandela Marg, New Delhi. The process for the same has already been Initiated.

SUN FOR A CAUSE

In addition to the major projects listed earlier, Sun Foundation has been engaged in several other altruistic and charitable activities such as:

- Mobile Diabetes Testing Unit in collaboration with Medanta Medicity.
- Adopting economically weak students in rural areas pursuing engineering studies in Punjabi University.
- Adopting children of Late Col. Gurbir Singh Sarna (martyr in Kashmir insurgency) for giving them first class education.
- Support to "Roko Cancer" movement through integrated medical services.
- Donating advanced Eye Laser operating machine at Bhai Kanihya Hospital, Hoshiarpur (Punjab.) Domestic Data Entry Operator
- Instrumental in setting up of Widows' Child Fund with corpus fund of Rs. One Crore for education of children of poor widows.
- Helping riot victims by arranging marriages of their daughters.
- Providing aid to victims of natural calamities like earthquake, tsunami disaster, etc.

Extending support beyond borders:

- Supporting old age home 'Are Aganeng Sun Foundation' in Makapanstad, near Johannesburg & HIV Aid centre in Richards Bay, South Africa.
- Supported education of marginalized section of girls of 'Mary Ward School, Lubhu, Nepal
- Supported Queen Rania's Jordan River Foundation, Jordon

“ How can you even explain female feticide?

GUJRAT

DONATED 500 LT. PER MINUTE PSA OXYGEN PLANT AT GMERS HOSPITAL GANDHINAGAR,

#MISSIONOXYGEN

Mata Kaulan Ji Mission Hospital

Sun Foundation donated an ambulance to Mata Kaulan Ji Mission Hospital in Amritsar. The ambulance was ceremoniously flagged off after an Ardas. Equipped with the latest medical standards, the ambulance is poised to respond effectively to medical emergencies, providing assistance to patients at no charge.

Corona Warrior

When the entire human race was in fight against the COVID -19. When the world was fighting against the invisible enemy, it was the sacrifices and hard work of the warriors, who took it to themselves to save lives.

Dr. Vikramjit Singh Sahney rendered exemplary service to the under privileged and destitute during Covid first and second wave –

- Donated One metric tonne capacity PSA oxygen generation plant to GMERS Hospital in Gandhinagar, Gujarat to save precious lives. The plant was inaugurated by Shri Amit Shah, Union Home Minister and was named after Iron Man of India **Sardar Vallabh Bhai Patel**.

Gurdwara Rakab Ganj Sahib, Delhi

- Instrumental in setting up of a 400- bed Covid Care Centre at **Gurdwara Rakab Ganj Sahib** at Delhi by providing 400 oxygen concentrators free of charge. The national capital faced an acute shortage of life-saving gas, with hospitals like the LNJP and Ganga Ram sending out SOS alerts to the state government as only a few hours of supply was left with them. The set up played a significant role to tame the crisis for Delhi.

Govt. Civil Hospitals, Punjab

- Donated 2000 D-type oxygen cylinders on SOS basis for rural areas in Punjab. The cylinders were dispatched to Govt. Civil Hospitals in Amritsar, Taran Taran, Pathankot, Gurdaspur, Hoshiarpur, Patiala, Faridkot, Mohali, Fazilka, Firozpur, Moga, Muktsar & Mansa.

Gurdwara Golden Temple, Amritsar

- 500 additional oxygen concentrators were donated to several districts of Punjab and various covid care camps. Oxygen Concentrator banks were set up all over Punjab in collaboration with local **Gurdwaras**, **Golden Temple Amritsar**, various Red Cross Societies and District Administrators.

Shri Guru Harkrishan Bala Sahib Covid Hospital

- Donated a GenNext Life Saving Machine ECMO from MAQUET Germany to **Shri Guru Harkrishan Bala Sahib Covid Hospital, Delhi**. The machine was a critical requirement at the time as only 7 such centers existed in North zone of India, and they were significantly required for emergency patients during the second wave.

Life Ambulances in Delhi-NCR and Punjab

- As COVID-19 continues to wreak havoc across the rural heartlands of India, it became critical to drive rapid testing, contact tracing, and create dedicated containment zones. At a time when such tests were taking more than a week across some cities, the challenge was even more for rural areas. Mr. Sahney donated the first ever artificial intelligence enabled Corona mobile testing clinics and **Life ambulances** in Delhi NCR & state of Punjab for corona testing at the doorstep of most affected areas and villages.

Besides the support during Covid – Sun Foundation has been involved in many other altruistic and charitable activities towards the public health welfare.

Mobile Diabetes Testing Unit in collaboration with Medanta Medicity which has benefited multitude of patients in the remote areas.

There are close to 80 million people with diabetes in India and this number is expected to increase to 135 million by 2045. With the intent to raise awareness and ensure about the disease, this initiative was undertaken so that testing can be made accessible to residents at remote doorsteps.

Support to **“Roko Cancer”** movement towards awareness and early detection of cancer amongst the masses through integrated Mobile medical service, first of its kind with x-ray, Ultrasound, and mammography for the rural areas of Punjab, Haryana and Delhi.

Advanced Eye Laser operating machine at Bhai Kanihya Hospital, Hoshiarpur (Punjab) which has benefited a lot of patients over the period by making lasik treatments accessible.

Breast cancer is that it is the second leading cause of death among women worldwide. It's best for women to know the general signs & and symptoms know, how to check themselves and how often they should be checked, With the intent to promote the same Breast Cancer awareness and detection camp were organised at Bhatinda and Mansa in Punjab

Rehabilitation

AFGHAN Refugee Rehab

Beyond immediate displacement and relief measures, rehabilitation of the refugees is closely aligned with state-building activities. Longer-term rehabilitation and resettlement strategies go a long way towards community development at large.

Dr. Vikram Sahney single handedly sent 3 chartered flights on his own expense to Kabul to evacuate Afghani Hindu & Sikhs. He co-ordinated with various ministries like External Affairs, Home, Civil Aviation and Air Force for immediate evacuation of stranded in Afghanistan after Taliban took over the control in 2021 and continues his efforts to bring the remaining Hindus and Sikhs to India.

He started a program “My Family-My Responsibility” with the commitment to rehabilitate 800 Afghans and not only took care of the monthly household expenses but also Medical Insurance and free skill trainings to ensure their financial independence.

Dr. Vikram Sahney is providing free skilling to all Afghan refugees irrespective of their caste, creed and religion at World Skill Centre, Jail Road, Delhi run by his NGO, Sun Foundation for imparting free skills to the youth and assisting them in getting jobs/vocation to support their long term rehabilitation.

TURKEY

Last year he helped with repatriation of 17 students stranded in Turkey who had been duped by agents on false pretexts.

It was his determined efforts with which he helped to trace the kids at a black site who were stranded when the agent took away their documentation.

OMAN

He is actively pursuing the cause to evacuate stranded Punjabi girls from Oman in coordination with Indian Embassy at Muscat.

Dr. Sahney has offered to pay entire fine and compensation amount to the employers/sponsors towards their settlements and release of these girls for immediate evacuation of Punjabi girls who went either on pretext of Visit Visa and became illegal immigrants or went under Maid Employment Visa and were forced to abandon their jobs due to harassment and exploitation.

To save our daughter's
stuck in Oman

Vikramjit Singh Sahney
Member Parliament, Rajya Sabha

LIBYA

One of our pivotal initiatives, Sun Foundation undertook the extradition of 12 youths stranded in Libya. These individuals fell victim to unscrupulous agents promising job opportunities in Italy, only to face the harrowing reality of identity-stripping and captivity by militia in an area lacking Indian representation. Through collaboration with pertinent authorities, we ensured their safe return. Post-repatriation, our efforts extended to providing comprehensive rehabilitation support, enabling them to pursue sustainable livelihoods in close proximity to their families.

Punjab Flood

Flag off for donation from Kisan Bhavan Chandigarh

Flood relief support for Doodhan Sadhan, Patiala.

Fogging Machines, Medicines, Tarpaulins distributed today.

AZAMWALA Firozpur

Swift actions were undertaken to provide essential relief materials to flood-affected villages of Punjab. Over 500 tarpaulins were distributed to protect against incessant rain, medicines like Dettol and Betadine were provided to prevent waterborne diseases, and fodder for livestock was distributed. The Sun Foundation and WPO volunteers worked with local authorities to reach remote areas. This relief effort aimed to mitigate the suffering caused by flooding and help affected residents and their animals. The collaborative relief efforts continued until normalcy was restored.

Sikhya Langar

"Sikhya Langar & Skilling for Jobs"

by

Singh Sahib Raghbir Singh Jee Jathedar of Sri Akal Takht

An initiative by All India Singh Sabha Gurudwaras
and

World Punjabi Organisation Supported by Sun Foundation

A significant round table conference in Amritsar under the patronage of **Jathedar Akal Takht Sahib**, with the presence of leaders from over fifty Singh Sabha Gurdwara committees and prominent Sikh historians and educators. This event marked the launch of the "**Sikhya Langar Movement**," aiming to provide employability skills to Sikh youth through Skill Development Centers in Gurudwaras across India. Five unanimous resolutions were passed, emphasizing education, skill development, and contributions. The movement's goal is to empower Sikh youth to lead and prosper, addressing the issue of youth traveling abroad without viable vocations. **Dr. Sahney** also called on Sikh industrialists to support education funds in Gurudwaras.

TESTIMONIES
