Subject- Request for Strict Action on Banned Agents still functioning in Punjab

Sir,

I would like to take this opportunity to convey my regards and appreciation for the action which Special Task Force is taking under your able leadership by lodging prompt FIRs and Arrests of the Unscrupulous Agents of the girls coming back from Oman under our initiative Mission Hope.

I would like to draw attention of your goodself on a very serious issue which came to my knowledge that most of the Banned Recruiting Agents are still Functioning in Punjab. Sir, as per the Government of India's E-Migration Website. Ministry of External Affairs have posted a list of Illegal Recruiting Agents. (List Enclosed). These agents have found fraudulent by the government and they have made a Ban on them.

The list consists of total 2331 Illegal Recruiting Agents all over India out of which 145 belongs to Punjab. Their addresses and Phone numbers are also mentioned in the list. When my Parliamentary office made calls to these Banned Recruiting Agents seeking employment opportunities abroad, most of them readily accepted to assist by taking their respective fees. This was a shocking revelation for me.

It's a serious crime that banned recruiting agents are still functioning in the state of Punjab. I would like to request your goodself to kindly take immediate and strict actions on these Banned Recruiting agents, list of the same is being enclosed herewith.

With Warmest Regards
